Hey, I'm into the same things as you!

Apologies for the cheesy words, the site made me take out the good ones.

I hope this isn't too forward, but, I'm looking for someone I can spoil a bit, I want something more than just meeting girls in bars, but I don't want a full on relationship - my work is too busy at the moment (I own a consulting business). I want someone I can spoil with a night in a hotel, who I can dress up in hot lingerie (I love stockings and suspenders...) and then handcuff to the bed and tease until she begs me to let her finish.

I want someone I can have up against the wall of the shower, and then carry to a window looking down over the city, and slide into her from behind while her chest is pressed up against it.

I want someone who's nipples I can eat ice cream off, and who wants to try some new things, and who doesn't take things too seriously.. someone who can laugh and have fun.

Sound like you?

I've got some photos of course.. let me know if you're interested and I can send you one.. Would love to see what you look like too..

Are you open to friendship (and I do mean friendship) with an older guy?

I was so enchanted by your beauty that I ran into that wall over there. So I am going to need your name and number for insurance purposes.

I'm fine with your age, as long as you are interesting.

Interested in meeting with me ?

You sound like a nice girl.

Could I entice you into some hot tantric fun?

Be cool to have a mutual sensual massage.

I am genuine.

No offense but are you into sexual meetings for money?

Good things come in small packages.

Did I scare you off with my first message?

Hello dear, lets get to know each other... You can ask me anything.

Open to anything, love to pleasure, let me know.

You're up early! Do you usually wake up this early?

Are you up early making me breakfast? Don't you hate it when the neighbours are cooking pancakes and it wafts into your own place!

Maybe we could chat, maybe we couldn't.

It is not life threatening, it is not important.

Ever been dominated by an older man?

How do I get a reply from you?

Please, mistress let me serve you on skype.

Hey, are you fun and spontaneous?

Please don't be offended but I'm looking for a nice girl for some intimate fun, something discrete and yes I'm willing to help you out for your trouble, and no I'm not fat and ugly.

Don't get too curious you will get sucked in and may never return.

You seem nice.

Looking for something exciting.

Something tells me you're sweet.

Have you got any fantasies?

So what's your medium?

Are you into sexy, older, really generous guys? I can offer 5 star hotel rooms, spa bath, room service, expensive champagne etc...

Looking for an older, strong, dominant man to spend great quality time with?

How are you going? I would love to know more about you, thanks. I have a fetish about webcamming for ladies and will do anything you ask me to do, thanks. Would love to hear from you, please. I also write soft porn stories. I am so talented.

I'm courteous and a real gentleman. Really know how to respect and please a lady...and always take pride with how I look and how I smell.

I'm in Auckland right now for my work. All other times I am based in Sydney and while I am here I was wondering if you would be interested in catching up for some company...?

If you really want to be daring...

Hey, how you doing?

So, what can you tell me about yourself, mademoiselle?

No hidden agenda.

Would you mind one hot brazilian?

Creative women are rare these days.

You're perfect.

Photographer looking for hobbieist/amateur model, drop me a line for more information, Thanks.

My place tonight then, good for us both.

Are you looking for something a little different- maybe rewarding?

I would like to take you away.

Hey, how is your night going?

Mistress, please.

Meet me tonight? Last chance.
